Soaring With Eagle Pride

[Pleasanton Survey](#)

[Foreign Language Instruction](#)

Each new school year brings with it a renewed sense of excitement and eagerness for learning. Children come prepared with their new school supplies and teachers are excited to greet another new group of eager learners. As you walked on the campus the first day you could feel the level of excitement and adrenaline. The teachers were ready to meet their new class of learners and the students were eager to jump right into the curriculum. I had an opportunity to meet with each grade level to talk about Eagle Pride and I was in awe of the amazing sophistication our Mohr students evoke. They are well versed in good manners and are ready to show their pride for themselves and their school!

I wish to extend a big Eagle, "Welcome Back!" to all of the students and their families. We continue to have a school that is determined to provide the best education for children, in an environment of safety, good character development and high achievement. I am *Soaring* with pride, as the 2009-2010 school year promises to be another great year!

Gift Wrap Fundraiser

There is no stopping now and it is really coming soon! Mohr School PTA is pleased to announce the new Fall Fundraiser, **Innisbrook Gift Wrap** and premium gift collection. The sale begins on September 9 and ends on September 25.

Innisbrook has always been an environmentally responsible company. The standard gift wrap is printed on premium recycled paper using 100% water-based ink. With the Innisbrook exclusive **EZ Order Entry Program**, all school orders are entered on their website. This eliminates the 3-part order forms and saves millions of sheets of paper and reduces paper waste by 65%. Innisbrook also has a wide selection of unique gift products like the Helen Grace chocolate collection, gourmet foods, nuts and kitchen items. The company believes in supporting the products of small-family owned American businesses across the country.

With that said, we encourage everyone to support us make this a success. Our school receives **up to 50% profit** on every item sold during this fundraiser. We hope to reach our goal of \$8,000 in profit that goes directly back to Mohr.

Watch for the Innisbrook Catalog coming home on September 4. Don't wait too long. GO WILD with Innisbrook! Visit www.innisbrook.com and click EZ. Our school number is **102844**. All participants receive thank you gifts and a chance to play in the Jungle Guessing Game.

Tell out-of-town family and friends to shop online. You earn prize credits and your school earns credits too. With your help, we look forward to making this our best fundraising event ever! Thank You.

Got Opinions?

Your assistance is needed to update Pleasanton's Youth Master Plan. Help shape the future programs and services for Pleasanton children, teens, and young adults. What are the top issues facing youth today? How do you hear about what's happening in Pleasanton? How can your needs best be met?

Two online surveys, one for adults over the age of 22 and another for you up to the age of 22, are available to help determine the needs of Pleasanton youth. This information will be used to update Pleasanton's Youth Master Plan, a strategic roadmap for city and school officials in setting priorities and programs for youth and families in our community. The surveys will be available until September 30.

Visit www.ci.pleasanton.ca.us and click on the link to the survey. For questions, contact Maria Lara, 925-931-5001 or mlara@ci.pleasanton.ca.us.

Foreign Language Instruction
