Principal's Message

I invite you to explore Henry P. Mohr's Annual School Accountability Report Card, which provides valuable information about our school instructional programs, academic achievement, classroom materials, school safety, facilities, and staff. Above all, we at Mohr share our pride in our excellence with our community, and celebrate the many outstanding examples of students in the act of achieving educational success.

Students are the main source of our Eagle pride. Here at Mohr we use the motto, "Soar at Mohr". Much like an eagle needs the right wind, speed and accuracy to soar; our students need the right teachers, support staff, and family partnerships. This combination leads our students to excel, achieve, and Soar at Mohr. Our students are hard-working, intelligent, and well-behaved examples of who we want them all to be as they grow to maturity. Our teachers and staff members collaborate to deliver experiences to children that challenge and motivate them to learn the rigorous standards of each grade level. Our parents are fantastically supportive of the school's efforts on behalf of their children. Good character, educational excellence and pride are key features of our service to children. Now in its eleventh year, Mohr has been recognized as a National Blue Ribbon School by the U.S. Department of Education (2005), twice as a California Distinguished School (2000 and 2004), and has received Honorable Mention for Excellence from the California Department of Education (1998 and 2007). These recognitions all come from our commitment to innovative teaching practices, teacher training, and specialized programs that we offer at Mohr.

Mohr is a culturally diverse school. Over 22 languages are listed as the primary language of our students. We are successful at providing a comfortable and efficient transition into English for our students, while encouraging them to maintain their proficiency in their primary language. Our school is home to many enrichment opportunities for students including a Chinese language academy, instruction in Spanish and French, after school Science, Arts, and Robotics classes. Our annual Heritage Festival brings out the richness of the many cultures attending our school. Parent volunteerism is extremely strong at Mohr. Thousands of hours of volunteerism are annually provided to the students of our school. This has helped Mohr school rise to the top 1% of California schools on the Academic Performance Index. Together, our students, staff, and families come together, committed to our permanent goal; to see every child soar educationally and as citizens of good character in our world.

Mission Statement

Our vision at Henry P. Mohr Elementary is to inspire students, colleagues, and our community to be citizens of the world. We become change agents through our deep commitment to lead with cutting-edge research, active teacher collaboration, and emphasizing the power of personal connections. We create possibilities for our students through activities that peak their capabilities. We influence, direct, guide, and nurture the unfolding of their future and ours in a safe and caring environment that fosters inquiry and reflection.

School Profile

Henry P. Mohr Elementary School is located in the northeastern region of Pleasanton and serves students in grades kindergarten through five following a traditional calendar. At the beginning of the 2008-09 school year, 660 students were enrolled, including 12% in special education, 7% qualifying for English Language Learner support, and 1% qualifying for free or reduced price lunch. Henry P. Mohr Elementary School achieved a 2009 Academic Performance Index (API) score of 961 and met all 2009 Adequate Yearly Progress criteria.

Percentage of Students by Ethnicity
2008-09 Enrollment: 660

Asian	55.30 %
Caucasian	31.97 %
Hispanic or Latino	4.55 %
Multiple/No Response	3.03 %
Filipino	2.58 %
African-Amer.	1.97 %
Pacific Islander	0.45 %
Amer. Indian or Alaskan Native	0.15 %

Student Achievement

National Assessment of Educational Progress (NAEP)

NAEP is a nationally representative assessment of what America's students know and can do in various subject areas. Assessments are conducted periodically in math, reading, science, writing, the arts, civics, economics, geography, and U.S. history. Student scores for reading and math are reported as performance levels (i.e., basic, proficient, and advanced) and the participation of students with disabilities (SD) and English Language Learners (ELL) are reported based on three levels (identified, excluded, and assessed).

In the following table, only a sample group of California's schools and districts participate in the NAEP testing cycle. Therefore, students in any particular school or district may not be included in these results. The NAEP reflects state test results and is not reflective of either Pleasanton Unified School District or Henry P. Mohr Elementary School. Detailed information regarding the NAEP results for each grade, performance level, and participation rate can be found on the NAEP web page at <http://nces.ed.gov/nationsreportcard/>.

Note: Comparisons of student performance on the NAEP and student performance on the Standardized Testing and Reporting (STAR) Program assessments cannot be made without an understanding of the key differences between the two assessment programs. Additionally, the NAEP only provides state test results for grades four and eight. The California Standards Tests (CSTs) are based on a different set of standards than the NAEP assessments. Information on the differences between NAEP and CST can be found on the CDE NAEP web page at <http://www.cde.ca.gov/ta/tg/nr/>.

Standardized State Assessments

The Standardized Testing and Reporting (STAR) Program consists of several key components, including the California Standards Tests (CSTs); the California Modified Assessment (CMA), and the California Alternate Performance Assessment (CAPA). The CSTs show how well students are doing in relation to the state content standards. The CSTs include English-language arts (ELA) and mathematics in grades two through eleven; science in grades five, eight, and nine through eleven; and history-social science in grades eight, ten, and eleven.

Student scores are reported as performance levels. Detailed information regarding the STAR program results for each grade and performance level, including percent of students not tested, can be found on CDE's Standardized Testing and Reporting Results website at <http://star.cde.ca.gov>. Program information regarding the STAR program can be found in the Explaining 2008 STAR Program Summary Results to the Public guide at www.cde.ca.gov/ta/tg/sr/documents/starpkt5inrpts.pdf.

Physical Fitness

In the spring of each year, Henry P. Mohr Elementary School is required by the state to administer a physical fitness test to all students in grade five. The physical fitness test measures each student's ability to complete fitness tasks in six major areas. Students who either meet or exceed the standards in all six fitness areas are considered to be in the "healthy fitness zone." The chart disclosed in this document reports only the percentage in each category, not a cumulative total of the results for categories 4 of 6 and 5 of 6. Comparative district and state results can be found at the CDE's website.

Physical Fitness Test Percentage of Students Meeting California Fitness Standards 2008-09			
Grade Tested	Number of Standards Met:		
	Four of Six	Five of Six	Six of Six
Fifth	13.1	33.3	43.4
Seventh	-	-	-
Ninth	-	-	-

Academic Performance Index

California uses the results of STAR testing to calculate the Academic Performance Index (API) which is used to measure school performance, set academic growth targets, and monitor progress over time. The API is a numeric index between 200-1000 that measures student performance in grades two through eleven. An API score of 800 is the state's designated performance target for all schools. Test results are weighted and a formula is applied to determine API.

Growth Targets: For schools with an API under 800, the state requires a gain of 5% of the difference between the school's actual API and 800. Growth Targets apply not only schoolwide, but to each numerically significant subgroup as well. Schools/subgroups that have achieved an API of 800 or above must maintain their scores.

Statewide Rank: All schools in California are categorized according to type (elementary, middle, high) and are placed on a scale of 1 to 10, with 10 being the highest.

Similar Schools Rank: School performance is also compared to other similar schools in the state, based on demographic characteristics, and ranked 1 to 10 within a grouping of 100 schools.

Academic Performance Index (API) Three Year Rank Comparison			
	2006	2007	2008
Statewide Rank	10	10	10
Similar Schools Rank	8	8	7

Results generated from 2007, 2008, and 2009 Growth API Reports

Adequate Yearly Progress

The Federal No Child Left Behind Act (NCLB) requires that all students perform at or above the proficient level on the state's standards-based assessment by the year 2014. Meeting Adequate Yearly Progress (AYP) milestones helps determine whether students are reaching proficiency level targets set by NCLB. AYP requires annual evaluation and reporting of the academic progress of all students and defined student subgroups.

For the 2008-09 AYP cycle, elementary and middle schools must achieve a 46% or higher proficiency rate in English/Language Arts and 47.5% or higher proficiency rate in math on the California Standards Test (CST). Additional criteria contributing to whether or not a school demonstrates AYP include achieving a 95% or above participation rate on the CST and obtaining an API growth score of 650 or increasing the API growth by 1 point.

More information on AYP can be found on the California Department of Education's (CDE) website www.cde.ca.gov/nclb/ and the U.S. Department of Education's website www.ed.gov/nclb/accountability/.

Adequate Yearly Progress (AYP) Results Reported by Indicator & Compared to District Performance 2008-09		
Did the school and district meet or exceed 2009 AYP performance criteria in each of the areas listed below?		
AYP Indicator	MES	PUSD
Overall Results	Yes	Yes
Participation Rate		
Language Arts	Yes	Yes
Math	Yes	Yes
Percent Proficient (CAHSEE Exam)		
Language Arts	Yes	Yes
Math	Yes	Yes
API Score	Yes	Yes
Graduation Rate	N/A	Yes

No Child Left Behind (NCLB)

The No Child Left Behind (NCLB) Act is part of the Federal Title I funding program designed to support additional staffing and programs to meet the needs of low-income, low achieving students, and other designated students with special needs. Schools may apply, based upon their student demographics, for one of two types of Title I funding: Title I Schoolwide or Title I Targeted Assistance. Title I Schoolwide schools use federal funds for schoolwide improvement of student achievement. Title I Targeted Assistance schools use federal funds to help those students who meet specific program criteria. In 2008-09, Henry P. Mohr Elementary School did not participate in the Title I program and is therefore not required to comply with program mandates.

Any school receiving Title I funds is required to comply with respective program testing and reporting activities, achieve specific levels of student proficiency, and monitor school progress towards meeting established goals. California Adequate Yearly Progress calculations determine whether a Title I school has met performance goals. Schools not meeting specific AYP criteria enter Program Improvement, a monitoring system and curriculum enhancement program designed to help schools to increase student proficiency levels. More information about Title I and Program Improvement can be located on the CDE's website www.cde.ca.gov/ta/ac/ti/.

Parent Involvement

Parents are encouraged to get involved in their child's learning environment either by volunteering in the classroom, participating in a decision-making group, or simply attending school events.

Parents stay informed on upcoming events and school activities through the school marquee, flyers, the school eNewsletter, eConnection, coffee with the principal, and teacher web sites. Contact Elizabeth Limesand at (925) 426-4256 for more information on how to become involved in your child's learning environment.

School Facilities & Maintenance

The district takes great efforts to ensure that all schools are clean, safe, and functional through proper facilities maintenance and campus supervision. Henry P. Mohr Elementary School's original facilities were built in 1996; ongoing maintenance and campus improvements ensure facilities remain up to date and provide adequate space for students and staff. District maintenance and site custodial staff ensure that the repairs necessary to keep the school in good condition are completed in a timely manner. A work order process is used by school and district staff to communicate non-routine maintenance requests. Emergency repairs are given the highest priority. In the last 12 months, installation of a security gate at the front of the school was completed.

Every morning before school begins, the custodian inspects facilities for safety hazards or other conditions that need attention prior to students and staff entering school grounds. One day custodian and two evening custodians are assigned to Henry P. Mohr Elementary School. The day custodian is responsible for:

- Groundskeeping
- Cafeteria Cleanup/Setup
- Office Area Cleaning

Restrooms are checked throughout the day for cleanliness and subsequently cleaned as needed. The evening custodians are responsible for:

- Restroom Cleaning
- Office Area Cleaning
- Classroom Cleaning

The principal communicates with custodial staff daily concerning maintenance and school safety issues.

Campus Description

Deferred Maintenance

Henry P. Mohr Elementary School participates in the State School Deferred Maintenance Program, which provides dollar-for-dollar matching funds to assist school districts with major repairs or replacement of existing school building components. Deferred maintenance projects generally include roofing, plumbing, heating, air conditioning, electrical systems, interior/exterior painting, and floor systems. During the 2008-09 school year, Henry P. Mohr Elementary School received \$1,202 in deferred maintenance funds for the repair and/or maintenance of:

- Plumbing
- Heating/Air Conditioning Systems

Facilities Inspection

The district's maintenance department inspects Henry P. Mohr Elementary School on an annual basis in accordance with Education Code §17592.72(c)(1). Henry P. Mohr Elementary School uses a school site inspection survey to identify unsafe or hazardous conditions and facility improvement needs. The most recent school inspection took place on Wednesday, October 28, 2009. No emergency repairs were needed and no unsafe conditions were found. During fiscal year 2008-09, all restrooms were fully functional and available for student use.

Overall Summary of School Facility Good Repair Status			
Exemplary	Good	Fair	Poor
✓			

Rating Description

Exemplary: The school meets most or all standards of good repair. Deficiencies noted, if any, are not significant and/or impact a very small area of the school.

Campus Supervision

School administration and teaching staff place a high priority on providing adequate adult supervision on campus before, during, and after school. As students arrive on campus each morning, administrators and teachers are strategically assigned to designated entrance areas and the playground. Administrators and lunch supervisors monitor lunch time activity in the cafeteria and on the playground. At the end of the day when students are dismissed, teachers and administrators monitor student behavior to ensure a safe and orderly departure.

Henry P. Mohr Elementary School is a closed campus. During school hours, all visitors must sign in at the school's office and wear identification badges while on school grounds.

School Site Safety Plan

The Comprehensive School Site Safety Plan was developed for Henry P. Mohr Elementary School in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual

harassment policy, and dress code policy. The school's most recent school safety plan was reviewed, updated, and discussed with school staff in October 2009.

Classroom Environment

Discipline & Climate for Learning

Henry P. Mohr Elementary School's discipline practices and behavior management strategies comply with approved board policies and are designed to create effective learning environments and minimize classroom disruptions. Progressive discipline and proactive measures are employed in the classroom for those students experiencing difficulty following school rules and demonstrating positive behavior. Disciplinary intervention is managed by school administrators in a fair, firm, and consistent manner based upon the nature of each situation.

Suspensions & Expulsions			
	MES		
	06-07	07-08	08-09
Suspensions (#)	5	6	10
Suspensions (%)	0.76 %	0.93 %	1.52 %
Expulsions (#)	0	0	0
Expulsions (%)	0.00 %	0.00 %	0.00 %
PUSD Elementary Schools			
Suspensions (#)	92	104	92
Suspensions (%)	1.52 %	1.70 %	1.49 %
Expulsions (#)	0	2	4
Expulsions (%)	0.00 %	0.03 %	0.06 %

This table illustrates the total cases (not number of days) of suspensions and expulsions, and includes students with multiple instances of suspension. For example, a student suspended in one month for 2 days and then suspended a month later for three days is counted as two cases of suspension.

Curriculum & Instruction

Staff Development

All training and curriculum development activities at Henry P. Mohr Elementary School revolve around the California State Content Standards and Frameworks. During the 2008-09 school year, Henry P. Mohr Elementary School held three staff development days devoted to:

- Math Adoption Training
- Attention Deficit Hyperactivity Disorder
- Students with Autism
- Reading, Writing, Spelling, and Vocabulary
- Service Learning and Beyond
- Science
- Building Inclusion
- Zangle Training
- Curriculum Mapping
- Backwards Planning
- 40 Developmental Assets Training

Decisions concerning selection of staff development activities are performed by all staff using tools such as teacher input, district benchmark results, and data analysis to determine the areas in which additional

teacher training may enhance classroom instruction and increase student achievement levels. Henry P. Mohr Elementary School offers support to new and veteran teachers through peer coaching and mentoring. Instructional aides are provided targeted training focused on teaching strategies and curriculum content. All staff are encouraged to attend professional workshops and conferences. Classified support staff receive job-related training from department supervisors and district representatives.

Staff Development Days Three-Year Trend

3	3	3

Instructional Materials

All textbooks used in the core curriculum at Henry P. Mohr Elementary School are aligned to the California Content Standards and Frameworks. Instructional materials are selected from the state's most recent list of standards-based materials and adopted by the State Board of Education. The district follows the State Board of Education's six-year adoption cycle for core content materials (English/language arts, math, science, and social science).

On Tuesday, September 22, 2009, the Pleasanton Unified School District's Board of Trustees held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Trustees adopted Resolution No. 2009-10.02 which certifies as required by Education Code §60119 (1) that textbooks and instructional materials were provided to all students, including English learners, in the district to the extent that each pupil has a textbook or instructional materials, or both, to use in class and to take home, and (2) sufficient textbooks and instructional materials were provided to each student, including English learners, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in math, science, history-social science, and English/language arts.

In addition to core subject areas, districts are required to disclose in their SARCs the sufficiency of instructional materials used for their visual/performing arts curricula. During the 2009-10 school year, Pleasanton Unified School District provided each student, including English learners, enrolled in a visual/performing arts class with a textbook or instructional materials to use in class and to take home. These materials complied with the state's content standards and curriculum frameworks.

Textbooks

School Leadership

The principal works closely with the vice principal and the school's leadership team to provide a well-balanced, rigorous core curriculum aligned with state standards. Principal Robin Seht is responsible for the day-to-day operations of the school and overall instructional program. The principal and vice principal work as a team to fulfill the many responsibilities associated with running an effective educational program. Also coordinating efforts with the principal is the Leadership Team, comprised of the principal, vice principal, grade level representatives, and specialty area representatives. The Leadership Team meets monthly throughout the year to focus on instructional issues and school operations.

Principal Robin Seht has been in the educational field for 12 years and serving Henry P. Mohr Elementary School for 2 years (as of 2008-09). Previous positions held in other schools include: vice principal, classroom teacher, and literacy staff developer. Principal Robin Seht holds a bachelor's degree in Child Development, a master's degree in Education, a Clear Multiple Subject Teaching Credential, a Clear Administrative Services Credential, and a Clear Crosscultural, Language and Academic Development Certificate.

Professional Staff

Counseling & Support Staff

Henry P. Mohr Elementary School provides professional, highly qualified staff that provide additional services and support centered on the whole student academically, physically, and mentally. The Counseling and Support Services table in this report illustrates the availability of non-instructional support staff to Henry P. Mohr Elementary School's students. Full-time equivalent (FTE) is a standard measurement used to identify an employee's regular work load on a weekly basis. For example, an FTE of 1.0 designates a full-time position and the employee is on campus and available all day every day of the week; an FTE of 0.5 indicates that the staff member is available and on campus a portion (50%) of the week.

Counselors & Support Personnel (Nonteaching Professional Staff) 2008-09		
	No. of Staff	FTE
Reading Specialist	2	1.0
Speech Therapist	2	1.5
Counselor	1	0.5
Health Clerk	1	0.5
Library Clerk	1	1.0
Psychologist	1	0.5
Resource Specialist	1	1.0

FTE = Full-Time Equivalent

Teacher Assignment

During the 2008-09 school year, Henry P. Mohr Elementary School had 30 teachers who met all credential requirements in accordance with state guidelines. The Federal No Child Left Behind Act requires that all teachers in core subject areas meet certain requirements in order to be considered as "NCLB Compliant." Minimum qualifications include: possession of a bachelor's degree, possession of an appropriate California teaching credential, and demonstrated competence in core academic subjects. In the table below, which identifies the number of classrooms taught by NCLB-compliant and non-compliant teachers, high poverty schools are those schools in the highest quartile for student participation defined by the free and reduced price meal program. Low poverty schools are those schools that are in the lowest quartile of program participation.

Percentage of Core Classes 2008-09		
	Taught by NCLB-Compliant Teachers	Taught by non-NCLB-Compliant Teachers

District Expenditures

Salary & Budget Comparison

State law requires comparative salary and budget information to be reported to the general public. For comparison purposes, the State Department of Education has provided average salary data from school districts having similar average daily attendance throughout the state. (Note: 2007-08 salary comparison data was the most recent data available at the time this report was published.)

Salary Comparison 2007-08		
	PUSD	State Average of Districts in Same Category
Beginning Teacher Salary	\$55,646	\$40,786
Mid-Range Teacher Salary	\$80,752	\$65,726
Highest Teacher Salary	\$98,045	\$85,230
Superintendent Salary	\$227,002	\$191,155
Average Principal Salaries:		
Elementary School	\$125,034	\$106,548
Percentage of General Fund Expenditures for:		
Teacher Salaries	42.8%	40.6%
Administrative Salaries	5.2%	5.3%

Expenditures Per Student

For the 2007-08 school year, Pleasanton Unified School District spent an average of \$8,531 of total general funds to educate each student (based on 2007-08 audited financial statements and in accordance with calculations defined in Education Code §41372). The table in this report 1) compares the school's per pupil expenditures from unrestricted (basic) and restricted (supplemental) sources with other schools in the district and throughout the state, and 2) compares the average teacher salary at the school site with average teacher salaries at the district and state levels. Detailed information regarding salaries can be found at the CDE website at www.cde.ca.gov/ds/fd/ec/ and www.cde.ca.gov/ds/fd/cs/. (The figures shown in the table below reflect the direct cost of educational services, per ADA, excluding food services, facilities acquisition and construction, and certain other expenditures.)

In addition to general fund state funding, Pleasanton Unified School District receives state and federal categorical funding for special programs. For the 2007-08 school year, the district received categorical, special education, and support programs funds for:

- Arts & Music Block Grant
- CA High School Exit Examination
- CA School-Age Families Education Program (Cal-SAFE)
- California Instructional School Garden
- California Peer Assistance & Review Program for Teachers (CPARP)
- Discretionary Block Grant
- Economic Impact Aid (EIA)
- English Language Acquisition Program, Teacher Training & Student Assistance
- Gifted & Talented Education (GATE)
- Instructional Materials
- K-12 Service Learning Initiative (CalServe)
- Lottery: Instructional Materials
- Professional Development Block Grant
- Pupil Retention Block Grant
- Regional Occupation Centers and Programs (ROC/P)
- School & Library Improvement Block Grant
- School Safety & Violence Prevention, Grades 8-12
- Special Education
