

Join Mohr PTA!

Thank you for becoming a member of Mohr PTA. As a PTA member, you are a part of the largest children's advocacy group in the country. You are also part of a nationwide support network of PTA volunteers. A strong, involved and informed membership is the most important asset of the PTA. Your PTA membership also gives you a voice in how our money is spent at our school. We encourage you to consider donating to our "More for Mohr" program. This allows Mohr PTA to raise money without having to hold a lot of additional fundraisers throughout the year. 100% of your More for Mohr donation goes back to our school to support programs and services for our children. Your donation is tax deductible and any amount is appreciated. Please also consider volunteering for a PTA event or chair or board position.
